

Summary

Part 1 is an information novel about the insights into the spiritual world and the interactions from it to the physical world and our physical/spiritual selves in great depth, as well as how lucid dreaming is accomplished and comes in effect with the spiritual world. Part 2 is a story novel about a greatly enlightened man named Hasuse that is trying to gain greater spiritual enlightenment by searching the spiritual world in his dreams, and as he gets gains great spiritual information he gets strangely tormented in his dreams by evil greater spiritual world beings, that try to scare him from learning any more in a world where they dominate in pure spiritual treachery, but Hasuse gets angry instead of frightened so he senses and fights the evil spiritual world beings through lucid dreaming, this only made things worse though and he got a little frightened, shaken enough within though to move away from his spiritual chosen journey he was not.

As his dreams continued to worsen, he noticed the evil greater spiritual beings' techniques of scaring him in gradually difficult understanding ways, built up from the first testing encounter which gave him spiritual puzzles to piece together and understand. When his spiritual knowledge got extremely high from constant more vicious evil encounters, the tormenting dreams stopped and turned into hidden evil misleading dreams that kept trying to change his ways, he then had to scare the evil away, and while he learned this great knowledge the world around him was soon to be ruled by an evil king, influentially controlled by evil greater spiritual world beings that wanted to collect many souls for an end spiritual battle. The king of the land was tricked and went through extreme lengths to gain control of the land, even if it meant using the people around him, and when he saw that Hasuse was never to be under his spiritual power, he tried to kill him and others like him solely to have people around that he could soon gain spiritual power over, but Hasuse put all his thought, spirit and body in studied sequence together to hopefully put an end to this soon coming evil of dark malefic wonder, with time to pre-think, meditate, then act upon, although not on his side...
